The Honorable Diane Feinstein
Chair
Subcommittee on Energy and
Water Development
Senate Committee on Appropriations
Washington, D.C. 20510

The Honorable John Kennedy
Ranking Member
Subcommittee on Energy and
Water Development
Senate Committee on Appropriations
Washington, D.C. 20510

Dear Chair Feinstein and Ranking Member Kennedy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Energy and Water Development Appropriations legislation, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Angus S. King, Jr.
United States Senator

**King, Angus(I-ME) Energy and Water Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Central Maine Community College	Central Maine Community College (Auburn) is requesting CDS funds for the installation of solar panels on the roofs of pre-identified campus buildings to promote the college's energy efficiency and renewable energy goals.	Androscoggin County ME	\$500
State of Maine, Governor's Energy Office	To help fund Maine's Community Resilience Partnership which assists communities with reducing carbon emissions, transitioning to clean energy, improving energy efficiency, and becoming more resilient to climate change effects such as extreme weather, flooding, rising sea levels, public health impacts, and more.	Kennebec County ME	\$4,125
Maine Department of Education	Funding to support Maine Department of Education's Revolving Renovation Fund goal of addressing energy and water conservation improvements at Maine schools.	Kennebec County ME	\$5,000
Army Corps of Engineers	To fund the remaining costs for the first-time maintenance dredging of a federal navigation channel created by the Army Corps of Engineers in 1958.	Knox County ME	\$400
Our Katahdin	Our Katahdin proposes installing a highly efficient biomass fueled power plant to generate electricity and provide thermal energy to the district heating system at the Commercialization Hub.	Penobscot County ME	\$3,000
