<sup>a</sup> Includes solar-grade polysilicon and other organic and inorganic chemicals, hardwood lumber, integrated circuits (manufactured in U.S.), and chemical products.

<sup>b</sup> At the request of the United States, China will strive to purchase and import \$5 billion per year of the U.S. agricultural products covered by this Chapter, in addition to the minimum amounts set forth herein.

<sup>c</sup> Includes all other agricultural products, including alfalfa, citrus, dairy, dietary supplements, distilled spirits, dried distiller grains, essential oils, ethanol, fresh baby carrots, fruits and vegetables, ginseng, pet food, processed foods, tree nuts, and wine.

<sup>d</sup> Includes lobster.

<sup>e</sup> Includes metallurgical coal.

<sup>f</sup> All services numbers represent the cross-border supply of services (Mode 1), with the exception of the numbers for financial services and insurance and cloud services, which include both the cross-border supply of services and the supply of services through commercial presence (Mode 3).
